The "Big 3" completion log

The "Big 3" is completion of the Bob Graham Round, Paddy Buckley Round and Charlie Ramsay Round, *each within 24 hours*.
Individual round completion logs: https://gofar997.wixsite.com/gofar/completion-logs-and-contacts
Although PBR log tracks "completions" of any duration, the Big 3 requires under 24 hours for each

Thankyou to Martin Stone for maintaining this list until 2026
To now get added to this list, please email duncan.archer77@gmail.com
Include dates and times for each round, and supporting evidence (either appearing on the individual completion logs or supply GPS tracks)
Please also let me know of any corrections to the data below

For some historical completions of the Big 3 we do not have full details (e.g. dates / times of individual rounds, and they don't appear on the official lists for those rounds)...
... but we have it on good faith they have completed the Big 3 nevertheless!
In some cases we have been able to assume data (for example knowing the completion date of the big 3 might tell us completion of the last round)
For some specific achievements (e.g. winter rounds, completion within X days etc.) we have dates for all rounds but they aren't the ones in question
If you can fill in gaps it is much appreciated
